POP Statement

We (including all subsidiary and associated companies hereafter) hereby declare that we comply the technical standard of POP regulation (EU) 2019/1021, which defined the form of compliance with prohibition of the manufacturing, placing on the market and use of substances listed in Annex I and Annex II, whether on their own, in mixtures or in articles :

Be assured, we will continue to monitor the POP regulations for any new chemicals. We will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our customers.

The POP chemical list can be found at:
